LURLINE BETHURUM

The home, of Mr. and Mrs. B. J. Bethurum is made sad by the death of their only child, Lurline. For several days the anxious parents sat by the bedside, watching, with throbbing hearts, the life of their darling babe as it ebbed away, expecting almost every moment to be the last. But Saturday morning the hours of terrible suffering, which it had endured for over a week, ended and that tender spirit took its flight. The burial took place Sunday afternoon in the Cemetery here.

DEAD.—Hugh Martin, the eldest son of Mr. R. S. Martin, of Brodhead, died Wednesday night of appendicitis, after an illness of only one week. The death of young Mr. Martin brings sorrow to many hearts and much sympathy is extended to the bereaved parents, brothers and sisters, in their sad hour of affliction. The burial took place in family burying ground yesterday afternoon.

A CARD. WILDIE, KY., APR. 16TH., 1901.

MR. ALBRIGHT, Editor:—

I indorse the action of the Magistrates in improving the county road to Langford. By saving and taking care of the county funds the county officials had \$500 surplus and they did right in appropriating the money to this road. While I am a Republican in politics I will not vote for any man that is against good roads or making such appropriations.

A Citizen of Wildie. EXEUTUORS NOTICE.

All persons indebted to the estate of J. K. McClary, deceased, are requested to call on the undersigned and settle the same. While we do not wish to put any one to cost, however, we must settle the business of the estate, and suit will be brought for that purpose on all debts that are not settled with out delay.

The Commencement exercises of the Mt. Vernon Collegiate Institute, will begin Sunday morning, with the Baccalaureate sermon by Dr. McDonald, of Danville, Ky. This will be followed by the Primary entertainment on Monday night, the Junior entertainment on Tuesday night, a concert and musicale on Wednesday night and the commencement on Thursday night. All friends and patrons of the College are invited to attend these exercises.

MUST GO.—The petition for a rehearing, in the case of E. K. Willson vs. the Commonwealth, before the Court of Appeals, was overruled. This was his last and only chance, and will now have to serve his term; unless the Governor should see fit to change his mind and grant him executive clemency. From first to last this has been one of the hardest fought cases, on both sides that has ever been in Rockcastle, and the interest taken by the people here, for and against him, seems to be as strong as it was in the county, where the crime, was committed.

A. H. Bastin, the Lancaster telephone man and C. S. Callahan representing the Home telephone company of Lexington and other interests were here Wednesday inspecting lines and laying plans for greater improvements and extensions of local lines and through connections. Our local manager was complimented on the service he had built up in our county and it was decided that Mt. Vernon should have a brand new improved switch-board and other facilities for the increasing business. Work on an exchange at Livingston will be in progress at an early date, where 40 or 50 phones will be placed.

Work on the extension of telephone line from Hansford to Line Creek will be commenced soon. This connects Mt. Vernon via Level Green.

J. J. Clancy arrested William Preston at Livingston yesterday and brought him here and placed him in jail last night, charged with robbing Jones and Smith's store.

TWO KILLED.—In a head-end collision of a work train and freight train on the C. V. branch of the L. & N. last Friday, William Sharp, engineer on work train, was instantly killed, and conductor W. R. Fretwell, on the same train, died the next day. The remains, of Mr. Fretwell, were taken to Stanford Monday, his old home, for burial. Conductor Wilbur, on freight train was slightly injured, while the engineer and fireman saved their lives by jumping from the engine. Both engines were completely demolished, and while the engines were brought as far as Corbin, yet, up to last Tuesday, it had been impossible to get them apart, being so tightly wedged together.

Every grass widower, says an exchange from Kansas, ought to be compelled to wear a cow-bell. Well, what's the matter with grass widows? Whew! what a racket there'd be in Livingston, if that rule should attain.
